ACPE# 0053-0000-23-010-L01-P 1 contact hour (.1 CEU)
Melanie Claborn, Ashley DeV Vaughan Circles
- 12:00–12:30pm Lunch
- 12:30–2:30pm ***Tools for Assessing and Optimizing Therapy for Older Adults (A)**
ACPE# 0053-0000-23-011-L01-P 2 contact hours (.2 CEUs)
Keith Swanson
- 2:30–3:30pm ***Residency Showcase 2 (K)**
ACPE# 0053-0000-23-012-L01-P 1 contact hour (.1 CEU)
Elijah McPhail, Farron Sheffield, Madison Thrasher, Andrea Winters
- 3:30–3:45pm Closing Remarks/Evaluation

**Denotes sessions of continuing education credit*

(K) = Knowledge-based CPE activity

(A) = Application-based CPE activity

The University of Oklahoma College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education with Commendation.

These activities are structured to meet knowledge- and/or application-based education needs. A knowledge-based activity is for participants to acquire factual knowledge. An application-based activity is for participants to apply the information learned in the allotted timeframe. Information in all activities is based on evidence as accepted in the literature by the healthcare professions.

TARGET AUDIENCE & LEARNING OBJECTIVES

This continuing pharmacy education program is intended for Indian Health Service, Tribal and Urban Indian Health pharmacists and pharmacy technicians. Please select the sessions as noted below that are appropriate for your profession (P/T). At the completion of this activity, the participant will be able to:

SATURDAY, FEBRUARY 18, 2023

ACPE# 0053-0000-23-001-L04-P/T 1.5 contact hours (.15 CEUs) (K)

Recognize the importance of embedding relational competence in a healthcare setting

Outline strategies to implement relationship-based care to improve the workplace culture

Identify gaps in clinical and preventative care in specific patient populations

Outline strategies to meet unmet clinical and preventative care needs in health systems

ACPE# 0053-0000-23-002-L03-P/T 1.5 contact hours (.15 CEUs) (K)

Identify recent updates to the Oklahoma State Board of Pharmacy laws and rules

Summarize current state regulations in regard to dispensing controlled substances

Apply current rules and regulations to the applicable areas of practice

ACPE# 0053-0000-23-003-L04-P 1 contact hour (.1 CEU) (K)

State key differences between a clinical pharmacist and pharmacist clinician

Describe population health management roles that can be undertaken at local facilities

Recognize the impact provider status has on the practice of pharmacy and patient care

ACPE# 0053-0000-23-003-L04-T 1 contact hour (.1 CEU) (K)

Define provider status at the federal and state levels

List the states that have provider status and the different scopes of practice

Recognize the impact provider status has on the practice of pharmacy and patient care

ACPE# 0053-0000-23-004-L01-P 1.5 contact hours (.15 CEUs) (A)

Recognize the prevalence and impact of mental illness on individuals and public health

Examine the evidence for the safety and benefit of complementary and alternative medicine approaches in the treatment of mood disorders

Apply integrative health approaches for a variety of patients with anxiety and depression

ACPE# 0053-0000-23-004-L01-T 1.5 contact hours (.15 CEUs) (A)

Recognize the prevalence and impact of mental illness on individuals and public health

Identify characteristics of depression and anxiety disorders in children and adults

Identify lifestyle factors than can affect well-being and mental health

ACPE# 0053-0000-23-005-L01-P 1 contact hour (.1 CEU) (K)

List the products authorized/approved for use and their role in therapy

Classify which patients are eligible for therapy

Explain the special considerations and precautions of these medications

ACPE# 0053-0000-23-005-L01-T 1 contact hour (.1 CEU) (K)

Describe special considerations when preparing and dispensing COVID-19 Therapeutics

ACPE# 0053-0000-23-006-L01-P/T 1.5 contact hours (.15 CEUs) (K)

Summarize the impact penicillin skin testing has on prescribing broad-spectrum antibiotics in the inpatient setting

Describe the benefits of a pharmacist-led MAT program

Describe the impact of pharmacist-led care on type 2 DM management

Discuss the importance of properly dosing vancomycin in inpatient pharmacy

SUNDAY, FEBRUARY 19, 2023

ACPE# 0053-0000-23-007-L01-P 1 contact hour (.1 CEU) (K)

Review updates in the most recent American Diabetes Association recommendations

Review updates in the most recent American Association of Clinical Endocrinologists and American College of Endocrinology recommendations

Identify relevant clinical considerations associated with antihyperglycemics

ACPE# 0053-0000-23-008-L01-P 1 contact hour (.1 CEU) (K)

Recognize the increasing rates of sexually transmitted infections (STIs)

Describe risk factors and at risk populations of STIs

Identify potential outcomes of untreated STIs

Report current guideline recommendations for the diagnosis and treatment of STIs

ACPE# 0053-0000-23-009-L01-P 1 contact hour (.1 CEU) (K)

Describe the current mental health crisis in the United States

Identify the skills necessary for pharmacists to intervene during mental health issues with their patients

Recognize the common medication barriers experienced by patients with mental health challenges

Identify common questions related to mental health medications

ACPE# 0053-0000-23-010-L01-P 1 contact hour (.1 CEU) (K)

Explain the recommendations for asthma management, specifically single inhaler therapy

Identify the importance of patient education in asthma management

Identify the core elements of a successful Medication Therapy

Management service model

Identify resources for MTM training

ACPE# 0053-0000-23-011-L01-P 2 contact hours (.2 CEUs) (A)

Identify expected physiologic changes in older individuals and potential behaviors or issues likely to increase risk of adverse medication effects

Identify medication assessment tools used to optimize therapy in older adults

Compare the strengths and limitations of each assessment tool discussed

Apply medication assessment tools to provide appropriate recommendations to prescribers as necessary to optimize therapy

ACPE# 0053-0000-23-012-L01-P 1 contact hour (.1 CEU) (K)

Define patient characteristics to determine appropriate use for concentrated basal insulin

Describe what CardioMEMS are and how they work

Identify the current recommendations for vancomycin dosing

Identify antibiotic stewardship objectives that result in positive clinical outcomes

PROGRAM FACULTY

Gerald Brown, Pharm.D., BCPS

Assistant Chief Pharmacist
Claremore Indian Hospital
Claremore, Oklahoma

Melanie Claborn, Pharm.D., BCACP

Clinical Pharmacy Specialist
Oklahoma City Indian Clinic
Oklahoma City, Oklahoma

Dwayne David, Pharm.D., M.H.A., BCPS

Clinical Pharmacist
Cherokee Nation Health Services
Tahlequah, Oklahoma

Ashley DeVaughan, Pharm.D., M.B.A, BCPS

Medication Safety Officer
Choctaw Nation Health Services Authority
Talihina, Oklahoma

Miaka Huynh, Pharm.D., BC-ADM, BCACP

Clinical Diabetes Pharmacist
Lawton Indian Hospital
Lawton, Oklahoma

Sara Kernell, MSN, RN, CDCES

Nurse Educator
Anadarko Indian Health Clinic
Anadarko, Oklahoma

Elijah McPhail, Pharm.D.

PGY-1 Pharmacy Resident
Chickasaw Nation Medical Center
Ada, Oklahoma

Michelle Melton, Pharm.D.

PGY-1 Pharmacy Resident

PGY-1 Pharmacy Resident
Choctaw Nation Health Care Center
Talihina, Oklahoma

Brian Wren, Pharm.D.

OCA Pharmacy & Lab Consultant
Indian Health Service
Oklahoma City, Oklahoma

Yi Yang, Pharm.D.

PGY-1 Pharmacy Resident
Lawton Indian Hospital
Lawton, Oklahoma

The University of Oklahoma College of Pharmacy has reviewed this activity's faculty and planner disclosures and mitigated all relevant financial relationships. Disclosure and mitigation information will be provided to registrants before the activity.

Awarding Credit for Pharmacists and Technicians

This seminar offers a total of 15 contact hours (1.5 CEUs) for pharmacists and 8 hours (.8 CEUs) for pharmacy technicians of ACPE-accredited continuing pharmacy education credit accepted by the Oklahoma Board of Pharmacy and most other states. Credit will be earned based on the participation in individually accredited activities. Full attendance and participation are required before obtaining CPE credit. Any individual who is more than 10 minutes late or leaves early will not be granted credit. Partial credit will not be awarded. The University of Oklahoma College of Pharmacy, as an ACPE-accredited provider, is required to report all pharmacy continuing education credit through the CPE Monitor. Credit will be available online to participants within four weeks. A notification email will be sent to participants when credit is uploaded. The initial release date is 2/18/23 (Sat) and 2/19/23 (Sun), respectively. For successful completion and subsequent awarding of credit, each participant must: sign in on the morning and afternoon sign-in sheet, provide NABP e-Profile ID # and month and day of birth, participate in the learning assessments, return nametag at the end of the final session attended, and complete the online program evaluation.

Registration, Refund & Grievance Policy

Pre-registration is required to allow the College to provide the appropriate faculty and materials necessary to meet the program objectives. Registration is \$23/day and will be accepted until 1/27/2023. The College reserves the right to limit registrations or cancel courses. There will be no refunds granted. Participants are encouraged to confirm the status of the program. For any questions, concerns or grievances associated with this educational activity, please contact Cassidy Roberts at (405) 271-6194 or Cassidy-Roberts@ouhsc.edu. You may contact the OU College of Pharmacy for a copy of the grievance policy.

The Oklahoma City Area Annual Pharmacy Seminar 2023

REGISTRATION

Registration is \$23/day (\$46 for Sat & Sun) and is required by 1/27/2023. The registration fee includes all program materials, continental breakfast, lunch and refreshments. A link to the materials will be emailed to all registered participants to download and/or print before the seminar. No printed handouts will be provided. Wi-Fi will be available on-site.

Name _____ Profession (Pharm/Tech/Other) _____
NABP e-Profile ID# _____ Month/Day of Birth _____
Email _____ Phone _____
Clinic Name _____

Day(s) you plan to attend: Saturday, 2/18/23 _____ Sunday, 2/19/23 _____

I consent to having my name and clinic name shared with the vendor representatives. No contact information (phone, email or mailing address) will be given out. Yes ____ No ____
