*Denotes sessions of continuing education credit
(K) = Knowledge-based (A) = Application-based

Continuing education activities are structured to meet knowledge- and/or application-based education needs. A knowledge-based activity is for participants to acquire factual knowledge. An application-based activity is for participants to apply the information learned in the allotted timeframe. Information in all CE activities is based on evidence as accepted in the literature by the health care professions.

The University of Oklahoma College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education with Commendation.

Awarding Credit

This seminar offers a total of 15 contact hours (1.5 CEUs) for pharmacists and 8 hours (.8 CEUs) for pharmacy technicians of ACPE-accredited continuing pharmacy education credit accepted by the Oklahoma Board of Pharmacy and most other states. Credit will be earned based on the participation in individually accredited activities. Full attendance and participation are required before obtaining CPE credit. Partial credit will not be awarded. Any individual who is over 10 minutes late or leaves early will not be granted credit. The University of Oklahoma College of Pharmacy, as an ACPE-accredited provider, is required to report all credit through CPE Monitor. Credit will be available online to participants within four weeks. A notification email will be sent to participants when credit is uploaded. The initial release date is 2/17/24 (Sat) and 2/18/24 (Sun), respectively. For successful completion and subsequent awarding of credit, each participant must: sign in on the morning and afternoon sign-in sheet, provide NABP e-Profile ID # and month and day of birth, participate in the learning assessments, return nametag at the end of the final session attended, and complete the online program evaluation.

Registration, Refunds & Contact Information

Pre-registration is required to allow OUCOP to provide the appropriate faculty and materials necessary to meet the program objectives. Registration is \$30/day and will be accepted until 1/23/24. OUCOP reserves the right to limit registrations or cancel courses. There are no refunds. For questions, concerns, or grievances, please contact the OUCOP Continuing Education Administrator at Cassidy-Roberts@ouhsc.edu or (405) 271-6194. You may contact OUCOP for a copy of the grievance policy.
