

The Walter P. Scheffe Continuing Pharmaceutical Education Series

November 6-7, 2021

1110 N. Stonewall Ave., Room 101
Oklahoma City, Oklahoma 73117

This continuing education activity is subject to change to a virtual program hosted via Zoom due to COVID-19 and changes to University guidelines. Please monitor your email for any updates. The date and time will remain the same.

Hosted by:

COLLEGE OF PHARMACY
The UNIVERSITY of OKLAHOMA HEALTH SCIENCES CENTER

Initiation and development of this continuing pharmaceutical education series is made possible through the kind and generous establishment by Mr. Scheffe of the Walter P. Scheffe Endowment for Pharmaceutical Education.

Program Registration

Name	Pharmacy Setting
NABP e-Profile ID #	Month and Day of Birth
Home Address	City, State, Zip
Phone	Email

Registration Costs

<u>Saturday</u>	<u>Sunday</u>
\$135.00 Pre-Registration	\$135.00 Pre-Registration
\$150.00 On-Site Registration	\$150.00 On-Site Registration

The registration fee includes all program materials, continental breakfast, lunch and refreshment breaks. A link to the program materials will be provided to all registered participants. It is encouraged to download/print the materials in advance.

I will download/print my own materials.
I would like my materials printed for me.

Payment Method

Credit Card If check is enclosed:
Check Amount \$ _____ Check # _____

You can submit payment via credit card online through our secure website by visiting <https://pharmacy.ouhsc.edu/marketplace> -->
Alumni Store

To register, please use the link above or mail/fax a completed registration form and payment to:

OU College of Pharmacy – Office of Alumni Affairs
P.O. Box 26901, CPB 104D, Oklahoma City, OK 73126
Phone: (405) 271-6194 Fax: (405) 271-3830

November 6, 2021

8 contact hours (0.8 CEUs) total

- 7:30-7:55am **Registration/Continental Breakfast**
- 7:55-8:00am **Introduction**
- 8:00-10:00am **Mental Health Literacy for Pharmacists* (K)**
ACPE# 0053-0000-21-016-L01-P 2 contact hours (0.2 CEUs)
Tammy Lambert
- 10:00-10:15am **Break**
- 10:15-12:15pm **Managing Depression and Anxiety Disorders in Patients with Cardiovascular Disease* (K)**
ACPE # 0053-0000-21-017-L01-P 2 contact hours (0.2 CEUs)
Nicholas Schwier
- 12:15-12:45pm **Lunch**
- 12:45-1:45pm **Update on HIV* (K)**
ACPE # 0053-0000-21-018-L02-P 1 contact hour (0.1 CEU)
Michelle Lewis
- 1:45-2:45pm **Crotaline Snake Bite Management and Pharmacotherapy* (A)**
ACPE # 0053-0000-21-019-L01-P 1 contact hour (0.1 CEU)
Shane Salimnejad
- 2:45-3:00pm **Break**
- 3:00-5:00pm **Marijuana & Over-the-Counter CBD Products for Medical Conditions: What's the Evidence?*(K)**
ACPE # 0053-0000-21-020-L01-P 2 contact hours (0.2 CEUs)
Scott Schaeffer
- 5:00-5:05pm **Evaluation/Adjourn**

November 7, 2021

7 contact hours (0.7 CEUs) total

- 7:30-7:55am **Registration/Continental Breakfast**
- 7:55-8:00am **Introduction**
- 8:00-10:00am **COVID-19 Vaccines Updates and Pediatric Patients * (K)**
ACPE# 0053-0000-21-021-L06-P 2 contact hours (0.2 CEUs)
Teresa Lewis
- 10:00-10:15am **Break**
- 10:15-11:15am **Practical Considerations in the Treatment of HCV* (K)**
ACPE # 0053-0000-21-022-L01-P 1 contact hour (0.1 CEU)
Misty Miller
- 11:15-12:15pm **How Sweet It Is: The Expanding Role of SGLT2 Inhibitors* (K)**
ACPE # 0053-0000-21-023-L01-P 1 contact hour (0.1 CEU)
Corey Guidry
- 12:15-12:45pm **Lunch**
- 12:45-2:45pm **Applying Medication Appropriateness Tools to Assess Therapy in Older Adults* (A)**
ACPE # 0053-0000-21-024-L01-P 2 contact hours (0.2 CEUs)
Keith Swanson
- 2:45-3:00pm **Break**
- 3:00-4:00pm **Household Products & Over-the-Counter Medication Toxicity* (A)**
ACPE # 0053-0000-21-025-L01-P 1 contact hour (0.1 CEU)
Kristie Edelen
- 4:00-4:05pm **Evaluation/Adjourn**

The University of Oklahoma College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

No commercial support was received for this activity.

Awarding Credit

This seminar offers a total of 15 contact hours (1.5 CEUs) of ACPE-accredited continuing pharmacy education credit accepted by the Oklahoma Board of Pharmacy and most other states. Credit will be earned based on the participation in individually accredited activities. Full attendance and participation are required before obtaining CPE credit. Partial credit will not be awarded. The University of Oklahoma College of Pharmacy, as an ACPE-accredited provider, is required to report all pharmacy continuing education credit through the CPE Monitor. Credit will be available online to participants within four weeks. A notification email will be sent to participants when credit is uploaded. For successful completion and subsequent awarding of credit, the attendance verification procedure will require each participant to: sign in on the sign-in sheet for each session attended, provide NABP e-Profile ID # and month and day of birth, participate in the learning assessments, return nametag at the end of the final session attended and complete the online program evaluation. The initial release date is 11/06/2021.

Registration, Refund & Grievance Policy

Pre-registration is suggested to allow the College to provide the appropriate faculty and materials needed to meet the program objectives. Early registration is \$135/day and will be accepted until 11/05/2021. The College reserves the right to limit registrations or cancel courses. There are no refunds. For any questions, concerns or grievances, please contact (405) 271-6194 or Cassidy-Roberts@ouhsc.edu. You may contact the College for a copy of the grievance policy.

The University of Oklahoma is an equal opportunity institution. Accommodations on the basis of disability are available by contacting Cassidy-Roberts@ouhsc.edu or (405) 271-6194 as soon as possible. www.ou.edu/eoo

**Denotes sessions of Continuing Education credit*

(K) = Knowledge-based CPE activity (A) = Application-based CPE activity

Target Audience & Learning Objectives

This continuing pharmacy education program is intended for pharmacists in any practice setting. At the completion of this activity, the participant will be able to:

Saturday, November 6, 2021

ACPE # 0053-0000-21-016-L01-P (K)

Define mental health literacy
Recognize 10 events commonly known as Adverse Childhood Experiences (ACEs) and their impact on adult mental health
Differentiate the clinical features and symptoms associated with 5 types of anxiety disorders
Identify 3 ways low mental health literacy impacts the pharmacist-patient relationship

ACPE # 0053-0000-21-017-L01-P (K)

Recall the epidemiology of comorbid depression and anxiety disorders in patients with cardiovascular disease (CVD)
State the screening tools available towards recognizing depression and generalized anxiety disorder
Recognize significant drug-drug/disease interactions associated with pharmacotherapies used to treat comorbid depression, anxiety disorders, and CVD
Identify potential adverse drug events associated with treating comorbid depression, anxiety disorders, and CVD
Select safe and effective agents for treating depression and/or anxiety disorders in patients with CVD

ACPE # 0053-0000-21-018-L02-P (K)

Outline the national focus on HIV care and prevention
Summarize ways in which pharmacists can contribute to HIV care and prevention
Review updates in HIV care including newly approved antiretroviral agents and dual-therapy options

ACPE # 0053-0000-21-019-L01-P (A)

Describe the epidemiology and morbidity associated with crotaline snake bite envenomations
Apply the stepwise approach to the management of crotaline snake bite envenomations
Analyze the published literature regarding pharmacotherapeutic options in the management of crotaline snake bite envenomations

ACPE # 0053-0000-21-020-L01-P (K)

Identify the distribution and function of cannabinoid receptors in the human body
Summarize the evidence for using marijuana and cannabidiol for various medical indications
Recognize barriers to research into the medical use of marijuana and cannabis-derived products

Sunday, November 7, 2021

ACPE # 0053-0000-21-021-L06-P (K)

List COVID-19 vaccines that have received FDA emergency use authorizations and the specific age groups for which each vaccine is approved
Describe the immunogenicity, safety, and efficacy of COVID-19 vaccines in pediatric patients
Recognize special considerations associated with immunizing children and adolescents against COVID-19
Report evidence-based information that can dispel myths and combat COVID-19 vaccine misinformation

ACPE # 0053-0000-21-022-L01-P (K)

Recognize appropriateness of treatment based on patient characteristics
Outline the management of drug interactions with direct-acting antivirals
Identify sources of financial support for HCV treatments

ACPE # 0053-0000-21-023-L01-P (K)

Summarize FDA indications and guideline recommendations regarding the use of SGLT2 inhibitors
Report recent literature findings on cardiorenal benefits of SGLT2 inhibitors
List monitoring parameters and adverse effects associated with SGLT2 inhibitor use

ACPE # 0053-0000-21-024-L01-P (A)

Identify five medication assessment tools used to optimize therapy in older adults
Compare the strengths and limitations of each assessment tool discussed
Apply three separate medication assessment tools to a series of case vignettes and provide appropriate recommendations to prescribers as necessary to optimize therapy

ACPE # 0053-0000-21-025-L01-P (A)

Recognize life-threatening exposures from household products
Identify life-threatening exposures from over-the-counter medications
Apply the appropriate treatment modalities for a patient case

Please note next to the ACPE # the type of activity. These activities are structured to meet knowledge- and/or application-based education needs. A knowledge-based activity is for participants to acquire factual knowledge. An application-based activity is for participants to apply the information learned in the allotted timeframe. Information in all activities is based on evidence as accepted in the literature by the healthcare professions.

Faculty

Kristie Edelen, Pharm.D., DABAT

Assistant Managing Director
Oklahoma Center for Poison & Drug Information, OKC, OK

Corey Guidry, Pharm.D., BCPS

Assistant Professor
University of Oklahoma College of Pharmacy, OKC, OK

Tammy Lambert, Pharm.D., Ph.D.

Clinical Assistant Professor
University of Oklahoma College of Pharmacy, OKC, OK

Michelle Lewis, Pharm.D., BCPS, AAHIVP

Clinical Associate Professor
University of Oklahoma College of Medicine, OKC, OK

Teresa Lewis, Pharm.D.

Associate Professor
University of Oklahoma College of Pharmacy, OKC, OK

Misty Miller, Pharm.D., BCPS

Associate Professor
University of Oklahoma College of Pharmacy, OKC, OK

Shane Salimnejad, Pharm.D., BCPS

Emergency Medicine Clinical Pharmacist
OU Health, OKC, OK

Scott Schaeffer, R.Ph., D.A.B.A.T.

Managing Director
Oklahoma Center for Poison & Drug Information, OKC, OK

Nicholas Schwier, Pharm.D., BCPS-AQ Cardiology

Associate Professor
University of Oklahoma College of Pharmacy, OKC, OK

Keith Swanson, Pharm.D., BCGP

Associate Professor
University of Oklahoma College of Pharmacy, OKC, OK
