November 9, 2024

8 contact hours (0.8 CEUs) total

7:30-7:55am **Registration & Breakfast**

7:55-8:00am **Introduction**

8:00-9:00am **Immunization Updates 2024: Clinical and Regulatory Changes for Pharmacists* (K)**

ACPE# 0053-0000-24-024-L06-P 1 contact hour (0.1 CEU)
Susan Conway, Pharm.D., FASHP, BCACP

9:00-10:00am **The GLP-1 RA Face Off* (A)**

ACPE# 0053-0000-24-025-L01-P 1 contact hour (0.1 CEU)
Taylor Spisany, Pharm.D., BCACP

10:00-10:15am **Break**

10:15-12:15pm **The Top of Your License: A Community Pharmacy Update* (K)**

ACPE# 0053-0000-24-026-L04-P 2 contact hours (0.2 CEUs)
David George, Pharm.D., Ph.D.

12:15-12:45pm **Lunch**

12:45-2:15pm **It All Adds Up: Non-opioids, Opioids, and Adjuncts for Managing Pain in Pediatric Patients* (A)**

ACPE# 0053-0000-24-027-L08-P 1.5 contact hours (0.15 CEUs)
Pete Johnson, Pharm.D., BCPPS, FPPA, FCCM, FASHP

2:15-3:15pm **Shifting from NASH to MASH: Key Updates in the Management of Metabolic Dysfunction-Associated Steatotic Liver Disease* (A)**

ACPE# 0053-0000-24-028-L01-P 1 contact hour (0.1 CEU)
Kiya Bennett, Pharm.D., BCPS

3:15-3:30pm **Break**

3:30-5:00pm **Rhythm and Reason for Atrial Fibrillation Management* (A)**

ACPE# 0053-0000-24-029-L01-P 1.5 contact hours (0.15 CEUs)
Corey Guidry, Pharm.D., BCPS

5:00-5:05pm **Closing Remarks & Evaluation**

November 10, 2024

7 contact hours (0.7 CEUs) total

7:30-7:55am **Registration & Breakfast**

7:55-8:00am **Introduction**

8:00-9:30am **Oklahoma State Board of Pharmacy 2024 Law Update* (K)**

ACPE# 0053-0000-24-030-L03-P 1.5 contact hours (0.15 CEUs)
Jennifer Musgrove, Pharm.D., D.Ph.

9:30-9:45am **Break**

9:45-11:45am **Outcomes, Access, and Care among High-Need and Complex Patient Populations* (K)**

ACPE# 0053-0000-24-031-L01-P 2 contact hours (0.2 CEUs)
Grant Skrepnek, Ph.D., R.Ph.

11:45-12:15pm **Lunch**

12:15-1:45pm **Sweet Success: Conquering Outpatient Diabetes Management* (A)**

ACPE# 0053-0000-24-032-L01-P 1.5 contact hours (0.15 CEUs)
Mary Shreffler, Pharm.D., BCPS

1:45-2:00pm **Break**

2:00-4:00pm **A Toxic Situation: The Role of Pharmacists in Poison Prevention and Management* (A)**

ACPE# 0053-0000-24-033-L01-P 2 contact hours (0.2 CEUs)
Kristie Edelen, Pharm.D., DABAT

4:00-4:05pm **Closing Remarks & Evaluation**

CPE Credit

This seminar offers a total of 15 contact hours (1.5 CEUs) of ACPE-accredited continuing pharmacy education (CPE) credit accepted by all U.S. boards of pharmacy. Credit is earned based on attendance and participation in individually accredited activities. Partial credit will not be awarded. Those who arrive over 10 minutes late or leave early will not be granted credit. For successful attendance verification and activity completion, each participant must sign in on the morning and afternoon sign-in sheet, provide NABP e-Profile ID and birthday (MMDD), participate in the learning assessments, return nametag at the end of the final session attended, and complete the online program evaluation. The University of Oklahoma College of Pharmacy (OUCOP), as an ACPE-accredited provider, is required to report credit online through CPE Monitor. Credit will be uploaded within four weeks of the seminar and participants will be notified via email. The initial release date is 11/9/24 (Sat) and 11/10/24 (Sun).

Registration & Contact Info

Pre-registration is suggested to allow OUCOP to provide the appropriate faculty and materials necessary to meet the program objectives. Pre-registration is \$150/day and will be accepted until 11/8/24. We reserve the right to limit registrations or cancel courses. There are no refunds. For questions, concerns or grievances, please contact the OUCOP Continuing Education Administrator at Cassidy-Roberts@ouhsc.edu or (405) 271-6194.

*Denotes sessions of continuing education credit
(K)=Knowledge-based (A)=Application-based

Continuing education activities are structured to meet knowledge- and/or application-based education needs. A knowledge-based activity is for participants to acquire factual knowledge. An application-based activity is for participants to apply the information learned in the allotted timeframe. Information in all CPE activities is based on evidence as accepted in the literature by the health care professions.

Target Audience & Learning Objectives

This continuing pharmacy education program is intended for pharmacists in any practice setting. At the completion of this activity, the participant will be able to:

ACPE # 0053-0000-24-024-L06-P (K)

List the indications, contraindications, and administration routes of newly approved and recently updated vaccines
Summarize updates to immunization schedules and guidelines from the CDC, ACIP, and FDA
Explain the rationale behind recent changes and their implications for patient care

ACPE # 0053-0000-24-025-L01-P (A)

Compare equivalent dosing between the various GLP-1 RAs
List the benefits of changing from one GLP-1 RA to another
Apply recommendations for minimizing adverse effects of GLP-1 RA therapy

ACPE # 0053-0000-24-026-L04-P (K)

Summarize the recent progression of a community pharmacist's role
List clinical services that can enhance the community pharmacy setting
Outline opportunities to advance a pharmacist's contribution to the healthcare team
Locate available certifications and training resources to conduct effective clinical services

ACPE # 0053-0000-24-027-L08-P (A)

Recognize two differences in pain management for children compared with adults
Compare available pediatric pain assessment tools
Identify seven recommendations from the Pediatric Pharmacy Association for opioid use in pediatric patients
Choose appropriate opioid, over-the-counter, and adjunct agents when given a patient case

ACPE # 0053-0000-24-028-L01-P (A)

Identify comorbid conditions associated with metabolic dysfunction-associated steatotic liver disease (MASLD)
Describe methods for patient screening, diagnosis, and disease state assessment for individuals with or at risk for MASLD
Analyze the effectiveness of current treatment options and emerging therapies in managing advanced MASLD based on primary literature
Choose optimal treatment plans based on individual risk factors and guideline-directed recommendations for MASLD

ACPE # 0053-0000-24-029-L01-P (A)

Identify modifiable and non-modifiable risk factors, staging, and pillars for management of atrial fibrillation (AF)
Use various risk stratification tools for assessing stroke and bleeding risk in patients with AF
Examine the role of direct oral anticoagulants in the management of AF based on the latest evidence and recommendations
Apply updated strategies for rate and rhythm control in patients with AF, including any changes in medication preferences or procedural interventions

ACPE # 0053-0000-24-030-L03-P (K)

Identify recent changes to Oklahoma State Board of Pharmacy laws and rules
Locate available resources to stay updated on current regulations
Report common violations seen during annual pharmacy inspections

ACPE # 0053-0000-24-031-L01-P (K)

Classify key characteristics of high-need patient populations
Outline the implications of high-need patient populations upon care delivery
Identify policies that support high-need patient care models
Summarize strategies that pharmacists can employ to optimize outcomes for high-need patients

ACPE # 0053-0000-24-032-L01-P (A)

Identify risk factors and signs of overbasalization during insulin therapy
Apply strategies to support patients suffering from diabetes distress
Analyze continuous glucose monitor data to optimize therapeutic management

ACPE # 0053-0000-24-033-L01-P (A)

Explain the role of pharmacists in poison prevention and management
Use appropriate antidotes to improve patient outcomes in cases of poisoning
Recognize when it is appropriate to seek consultation with the poison center
Identify toxidromes based on initial physical examination findings
Formulate a treatment plan for a patient that presents with signs and symptoms of a particular toxidrome

Faculty

Kiya Bennett, Pharm.D., BCPS

Assistant Professor
OU College of Pharmacy | OKC

Susan Conway, Pharm.D., FASHP, BCACP

Professor and Director of Experiential Education
OU College of Pharmacy | OKC

Kristie Edelen, Pharm.D., DABAT

Managing Director
Oklahoma Poison Center | OKC

David George, Pharm.D., Ph.D.

Director of Finance and Strategy
TotalDose Pharmacy | Edmond

Corey Guidry, Pharm.D., BCPS

Assistant Professor
OU College of Pharmacy | OKC

Pete Johnson, Pharm.D., BCPPS, FPPA, FASHP

Professor & President's Associate Presidential Professor
OU College of Pharmacy | OKC

Jennifer Musgrove, Pharm.D., D.Ph.

Pharmacist Compliance Officer
Oklahoma State Board of Pharmacy | OKC

Mary Shreffler, Pharm.D., BCPS

Clinical Pharmacist
OU Health | OKC

Grant Skrepnek, Ph.D., R.Ph.

Professor
OU College of Pharmacy | OKC

Taylor Spisany, Pharm.D., BCACP

Clinical Assistant Professor
OU College of Pharmacy | OKC

The University of Oklahoma College of Pharmacy has reviewed all faculty and planner financial disclosures and mitigated any relevant financial relationships that exist. Details will be provided to registrants before the activity. No commercial support was received for this program.
