

**The Walter P. Scheffe Continuing Pharmaceutical Education Series
November 9-10, 2024 | OU College of Pharmacy | Oklahoma City, OK**

SYLLABUS

Sat, Nov 9, 2024 | 8 contact hours (0.8 CEUs) total

7:30-7:55am **Registration & Continental Breakfast**

7:55-8:00am **Introduction**

8:00-9:00am **Immunization Updates 2024: Clinical and Regulatory Changes for Pharmacists* (K)**

ACPE # 0053-0000-24-024-L06-P | 1 contact hour (0.1 CEU)

Susan Conway, Pharm.D., FASHP, BCACP

Professor and Director of Experiential Education | OU College of Pharmacy, OKC, OK

At the completion of this activity, pharmacists will be able to list the indications, contraindications, and administration routes of newly approved and recently updated vaccines, summarize updates to immunization schedules and guidelines from the CDC, ACIP, and FDA, and explain the rationale behind recent changes and their implications for patient care.

9:00-10:00am **The GLP-1 RA Face Off* (A)**

ACPE # 0053-0000-24-025-L01-P | 1 contact hour (0.1 CEU)

Taylor Spisany, Pharm.D., BCACP

Clinical Assistant Professor | OU College of Pharmacy, OKC, OK

At the completion of this activity, pharmacists will be able to compare equivalent dosing between the various GLP-1 Ras, list the benefits of changing from one GLP-1 RA to another, and apply recommendations for minimizing adverse effects of GLP-1 RA therapy.

10:00-10:15am **Break**

10:15-12:15pm **The Top of Your License: A Community Pharmacy Update* (K)**

ACPE # 0053-0000-24-026-L04-P | 2 contact hours (0.2 CEUs)

David George, Pharm.D., Ph.D.

Director of Finance and Strategy | TotalDose Pharmacy, Edmond, OK

At the completion of this activity, pharmacists will be able to summarize the recent progression of a community pharmacist's role, list clinical services that can enhance the community pharmacy setting, outline opportunities to advance a pharmacist's contribution to the healthcare team, and locate available certifications and training resources to conduct effective clinical services.

12:15-12:45pm **Lunch Break**

12:45-2:15pm **It All Adds Up: Non-opioids, Opioids, and Adjuncts for Managing Pain in Pediatric Patients* (A)**

ACPE # 0053-0000-24-027-L08-P | 1.5 contact hours (0.15 CEUs)

Pete Johnson, Pharm.D., BCPPS, FPPA, FASHP

Professor & President's Associate Presidential Professor | OU College of Pharmacy, OKC, OK

At the completion of this activity, pharmacists will be able to recognize two differences in pain management for children compared with adults, compare available pediatric pain assessment tools, identify seven recommendations from the Pediatric Pharmacy Association for opioid use in pediatric patients, and choose appropriate opioid, over-the-counter, and adjunct agents when given a patient case.

2:15-3:15pm **Shifting from NASH to MASH: Key Updates in the Management of Metabolic Dysfunction-Associated Steatotic Liver Disease* (A)**

ACPE # 0053-0000-24-028-L01-P | 1 contact hour (0.1 CEU)

Kiya Bennett, Pharm.D., BCPS

Assistant Professor | OU College of Pharmacy, OKC, OK

At the completion of this activity, pharmacists will be able to identify comorbid conditions associated with metabolic dysfunction-associated steatotic liver disease (MASLD), describe methods for patient screening, diagnosis, and disease state assessment for individuals with or at risk for MASLD, analyze the effectiveness of current treatment options and emerging therapies in managing advanced MASLD based on primary literature, and choose optimal treatment plans based on individual risk factors and guideline-directed recommendations for MASLD.

3:15-3:30pm **Break**

3:30-5:00pm **Rhythm and Reason for Atrial Fibrillation Management* (A)**

ACPE # 0053-0000-24-029-L01-P | 1.5 contact hours (0.15 CEUs)

Corey Guidry, Pharm.D., BCPS

Assistant Professor | OU College of Pharmacy, OKC OK

At the completion of this activity, pharmacists will be able to identify modifiable and non-modifiable risk factors, staging, and pillars for management of atrial fibrillation (AF), use various risk stratification tools for assessing stroke and bleeding risk in patients with AF, examine the role of direct oral anticoagulants in the management of AF based on the latest evidence and recommendations, and apply updated strategies for rate and rhythm control in patients with AF, including any changes in medication preferences or procedural interventions.

5:00-5:05pm **Closing Remarks & Evaluation**

Sun, Nov 10, 2024 | 7 contact hours (0.7 CEUs) total

7:30-7:55am **Registration & Continental Breakfast**

7:55-8:00am **Introduction**

8:00-9:30am **Oklahoma State Board of Pharmacy 2024 Law Update* (K)**

ACPE # 0053-0000-24-030-L03-P | 1.5 contact hours (0.15 CEUs)

Jennifer Musgrove, Pharm.D., D.Ph.

Pharmacist Compliance Officer | Oklahoma State Board of Pharmacy, OKC, OK

At the completion of this activity, pharmacists will be able to identify recent changes to Oklahoma State Board of Pharmacy laws and rules, locate available resources to stay updated on current regulations, and report common violations seen during annual pharmacy inspections.

9:30-9:45am **Break**

9:45-11:45am **Outcomes, Access, and Care among High-Need and Complex Patient Populations* (K)**

ACPE # 0053-0000-24-031-L01-P | 2 contact hours (0.2 CEUs)

Grant Skrepnek, Ph.D., R.Ph.

Professor | OU College of Pharmacy, OKC, OK

At the completion of this activity, pharmacists will be able to classify key characteristics of high-need patient populations, outline the implications of high-need patient populations upon care delivery, identify policies that support high-need patient care models, and summarize strategies that pharmacists can employ to optimize outcomes for high-need patients.

11:45-12:15pm **Lunch Break**

12:15-1:45pm **Sweet Success: Conquering Outpatient Diabetes Management* (A)**

ACPE # 0053-0000-24-032-L01-P | 1.5 contact hours (0.15 CEUs)

Mary Shreffler, Pharm.D., BCPS

Clinical Pharmacist | OU Health, OKC, OK

At the completion of this activity, pharmacists will be able to identify risk factors and signs of overbasalization during insulin therapy, apply strategies to support patients suffering from diabetes distress, and analyze continuous glucose monitor data to optimize therapeutic management.

1:45-2:00pm **Break**

2:00-4:00pm **A Toxic Situation: The Role of Pharmacists in Poison Prevention and Management* (A)**

ACPE # 0053-0000-24-033-L01-P | 2 contact hours (0.2 CEUs)

Kristie Edelen, Pharm.D., DABAT

Managing Director | Oklahoma Poison Center, OKC, OK

At the completion of this activity, pharmacists will be able to explain the role of pharmacists in poison prevention and management, use appropriate antidotes to improve patient outcomes in cases of poisoning, recognize when it is appropriate to seek consultation with the poison center, identify toxidromes based on initial physical examination findings, and formulate a treatment plan for a patient that presents with signs and symptoms of a particular toxidrome.

4:00-4:05pm **Closing Remarks & Evaluation**

Target Audience

This continuing education program is intended for pharmacists in any practice setting.

Continuing Pharmacy Education (CPE)

*Denotes sessions of continuing education credit provided by the University of Oklahoma College of Pharmacy. Please note next to the ACPE # the type of activity: (K) = Knowledge-based & (A) = Application-based. These activities are structured to meet knowledge- and/or application-based education needs. A knowledge-based activity is for participants to acquire factual knowledge. An application-based activity is for participants to apply the information learned in the allotted timeframe. Information in all CPE activities is based on evidence as accepted in the literature by the health care professions.

The University of Oklahoma College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education with Commendation.

Awarding CPE Credit

This seminar offers a total of 15 contact hours (1.5 CEUs) of ACPE-accredited continuing pharmacy education (CPE) credit accepted by all U.S. boards of pharmacy. Credit is earned based on attendance and participation in individually accredited activities. Partial credit will not be awarded. Those who arrive over 10 minutes late or leave early will not be granted credit. For successful attendance verification and activity completion, each participant must sign in on the morning and afternoon sign-in sheet, provide NABP e-Profile ID and birthday (MMDD), participate in the learning assessments, return nametag at the end of the final session attended, and complete the online program evaluation. The University of Oklahoma College of Pharmacy (OUCOP), as an ACPE-accredited provider, is required to report credit online through CPE Monitor. Credit will be uploaded within four weeks of the seminar and participants will be notified via email. It is your responsibility to verify your credit is accurate and notify Cassidy Roberts of any errors by 12/29/24 to allow adequate time for corrections before the NABP deadline. ACPE guidelines prohibit providers from issuing or modifying credit more than 60 days after an activity for any reason. The initial release date is 11/9/24 (Sat) & 11/10/24 (Sun).

Commercial Support

Commercial support is financial, or in-kind, contributions given by an ineligible company, which is used to pay all or part of the costs of a CPE activity. An ineligible company is any entity whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. No commercial support was received for this program.

Financial Disclosure & Mitigation Report

The University of Oklahoma College of Pharmacy (OUCOP) endorses the ACPE Standards for Integrity and Independence in Accredited Continuing Education. All accredited activities must be balanced, objective, independent of commercial bias and promote improvements or quality in health care. Recommendations must be scientifically justified and based on evidence accepted within the medical profession. We require that everyone in a position to control the content of an accredited educational activity disclose all financial relationships with ineligible companies of any amount within the last 24 months. OUCOP will identify, review and mitigate all relevant financial relationships prior to an educational activity being delivered to learners. This policy is designed to provide the target audience with an opportunity to review any affiliations for the purpose of determining the potential presence of bias or influence over educational content.

None of the faculty or planning committee members listed below have relevant financial relationships with ineligible companies to disclose.

Kiya Bennett	David George	Jennifer Musgrove	Grant Skrepnek
Susan Conway	Corey Guidry	Cassidy Roberts (PC)	Taylor Spisany
Kristie Edelen	Pete Johnson	Mary Shreffler	

Registration & Refund Policies

Pre-registration is suggested to allow OUCOP to provide the appropriate faculty and materials necessary to meet the program objectives. Pre-registration is \$150/day and will be accepted until 11/8/24. On-site registration is \$165/day. This includes all activity materials, continental breakfast, lunch and refreshments. Participants will be emailed a link to download/print program documents one week in advance. Wi-Fi will be available on-site. We reserve the right to limit registrations or cancel courses and refund registration fees. There are no other refunds.

Contact Information

For any questions, concerns or grievances associated with this activity, please contact the OUCOP Continuing Education Administrator at Cassidy-Roberts@ouhsc.edu / (405) 271-6194.

Equal Opportunity, Privacy, Confidentiality & Copyright Policies

The University of Oklahoma (OU) is an equal opportunity institution. Accommodations on the basis of disability are available by contacting Cassidy-Roberts@ouhsc.edu. We are committed to protecting the privacy of our learners. Your personal information will not be shared with anyone outside OUCOP unless you consented to your name and practice site being shared with vendor representatives, if applicable. In that case, no contact details or any other information will be given out. Resources are provided for the educational benefit of our learners and are not for distribution. All information and materials provided are the property of OU/OUCOP or is licensed or has been granted permission for use by the copyright owner. No materials may be reproduced or transmitted without written permission. All rights reserved.
