	Program Evaluation/Adjourn

*denotes sessions of continuing education credit
(A)=Application-based CPE activity; (K)=Knowledge-based CPE Activity

Hosted by the University of Oklahoma College of Pharmacy

Awarding Credit for Pharmacists

The University of Oklahoma College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This seminar offers a total of 15 contact hours (1.5 CEU's) of continuing pharmacy education credit accepted by the Oklahoma Board of Pharmacy and most other states requiring continuing education. Please note next to the listed ACPE # the type of activity [(K) = Knowledge-based CPE activity; (A) = Application-based CPE activity]. For more information on activity types, please contact the College of Pharmacy at 405-271-6194. The program is designed as individual educational units and should be divided as noted in program materials. The University of Oklahoma College of Pharmacy records all credits granted and participants may print a statement a credit through the CPE Monitor at www.nabp.net. Credit will be available online to participants within four to six weeks upon verification of successful completion of the program. A notification email will be sent to participants when credit is ready. Credit for the program is awarded only for full participation and attendance is verified through official sign-in at the beginning of the sessions, the completion of the online program evaluation, the return of your nametag and receiving your NABP e-Profile ID # and month and day of your birth. Initial release date of 11/04/17.

Enrollment Procedures/Registration Fees/Refund and Grievance Policy

Pre-registration is suggested to allow the College to provide the appropriate faculty and materials necessary to meet the program objectives. Early registrations will be accepted until 11/3/17. The College reserves the right to limit registrations or cancel courses if registration is insufficient and refund registration fees. Participants are encouraged to contact the University of Oklahoma College of Pharmacy at (405) 271-6194 by 11/3/16 to confirm the status of the program. There are no refunds. For any grievance associated with this educational activity, please notify the Continuing Education Administrator. You may contact the University of Oklahoma College of Pharmacy for a copy of the Grievance Policies.

Target Audience and Objectives for this Program

This program is intended for pharmacists, regardless of their practice setting. Upon completion of the program, the pharmacist should be able to:

Saturday, November 4, 2017

ACPE # 0053-0000-17-026-L01-P 2 contact hours (0.2 CEUs) (K)

Outline trends in opioid prescribing and use over the past two decades
Identify factors that contribute to opioid misuse
Discuss methods to minimize opioid abuse and mortality

ACPE # 0053-0000-17-027-L01-P 2 contact hours (0.2 CEUs) (K)

Describe 7 updates that have been made to the American Diabetes Association Standards of Care

List the new oral and injectable medication options available
Describe advantages/disadvantages of new treatment options

ACPE # 0053-0000-17-028-L01-P 1 contact hour (0.1 CEU) (K)

Discuss new antiretroviral approaches for the treatment and prevention of HIV infection
Outline recommendations from recent guidelines regarding the treatment and prevention of HIV infection

ACPE # 0053-0000-17-029-L01-P 1 contact hour (0.1 CEU) (K)

Name the pangenotypic regimens used to treat HCV.
Explain to patients the 5 most common adverse effects of anti-HCV agents.
Identify and manage significant drug interactions with anti-HCV agents.

ACPE # 0053-0000-17-030-L01-P 1 contact hour (0.1 CEU) (K)

Identify the new inhaler devices for use in pediatric asthma
Describe the association of montelukast and long-acting beta agonists with adverse effects in children
Recognize tiotropium's role in pediatric asthma
Review the potential for topical calcineurin inhibitors to be first-line for treatment of atopic dermatitis
